SEVEN-DAY EXTENSION OF TIME TO FILE REPLY COMMENTS ON MOBILE WIRELESS COMPETITION NOTICE OF INQUIRY

WT Docket No. 09-66

Revised Reply Comment Deadline: October 22, 2009

On August 27, 2009, the Commission released the *Mobile Wireless Competition Notice of Inquiry*, which originally provided that comments were due on September 28, 2009 and that reply comments were due on October 13, 2009.¹ On September 10, 2009, the Commission, to help ensure the development of a more complete record, extended the comment date to September 30, 2009 and the reply comment date to October 15, 2009.²

On October 2, 2009, CTIA – The Wireless Association (“CTIA”) and Public Knowledge filed a joint request for a 14-day extension of the reply comment deadline in this proceeding to provide “sufficient time to meaningfully address the detailed economic and technical analyses submitted in the initial round of comments.”³ CTIA and Public Knowledge state that an extension “will enable affected stakeholders – industry and consumer groups alike – to more thoroughly evaluate the initial comments and, in turn, provide more substantive information in the reply comment cycle.”⁴

It is the policy of the Commission that extensions of time are not routinely granted.⁵ Such extensions may be warranted when, among other things, the additional time will serve the public interest. In the instant proceeding, we find that providing a limited extension of time of **seven days** would be beneficial to the development of a complete record and would serve the public interest, while also providing the Commission with sufficient time to review the record and fulfill its statutory requirement to
